Bang Bang

Squeeze

I can't stop my heart from beating beating
Bang bang bang bang
(Bang bang bang bang)
I would like to be like Peter, Peter
Pan, Pan, Pan, Pan
(Bang bang bang bang)Staying younger by the day
My good looks will never fade
I hope I can can can can
(Bang bang bang bang)Napoleon was very brave
Incomplete, he took to his grave
Josephine was such a joke
Kept her letter inside his coatV Van Gogh was so, I hear
One to send his love an ear
Some impression this would make
This was to be his big mistakeCatherine lost her pretty head
She wasn't very good in bed
Didn't wear a hat again
She got so wet out in the rainI can't stop my heart from beating beating
Bang bang bang bang
(Bang bang bang bang)
I would like to be like Peter, Peter
Pan, Pan, Pan, Pan
(Bang bang bang bang)Staying younger by the day
My good looks will never fade
I hope I can can can can
(Bang bang bang bang)Staying younger by the day
My good looks will never fade
I hope I can can can can
(Bang bang bang bang)Can can can can
(Bang bang bang bang)
