

Lost In A Dream

Eighteen Visions

Well, I've been
Sleeping here for days
Hope I die before my
Dreams drive me insane
When you're not around
I might let my guard down
Don't keep me
Waiting
You can't understand my nightmares
Bad dreams are all that I can keep
Locked in a room
Where all my dreams come true
Scrape my mind off of the walls
Painted pretty blue
Collective thoughts
They fill my brain
But every night, it's just the same
Don't keep me waiting
You can't understand my nightmares
Bad dreams are all that I can keep
You can't understand my nightmares
Don't you close your eyes to see
(Blindness is overwhelming)
You can't understand my nightmares
Bad dreams are all that I can keep
You can't understand my nightmares
Don't you close your eyes to see
(Blindness is overwhelming)
