

Beware of Darkness (demo)

George Harrison

Watch out now, take care
Beware of falling swingers
Dropping all around you
The pain that often mingles
In your fingertips, beware of darkness Watch out now, take care
Beware of the thoughts that linger
Winding up inside your head
The hopelessness around you
In the dead of night Beware of sadness
It can hit you, it can hurt you
Make you sore and what is more
That is not what you are here for Watch out now, take care
Beware of soft shoe shufflers
Dancing down the sidewalks
As each unconscious sufferer
Wanders aimlessly, beware of Maya
