

One More Time

Sam Cooke

La, la, la

La, la, la

Lo, la, la, la

I'm so lonely tonight If I could only hold you once more

If I could only kiss you once more

If I could only see you one more time

One more time Things wouldn't be the way they are now

I'd make you see I loved you somehow

If I could only see you one more time So please say you'll let me see you

Five minutes all alone

It's so hard to make you understand

Talking on the phone I'd like you to know, I know, I was wrong

I'd like you to know my love is still strong

Jee, but I'd like to see you one more time La, la, la

La, la, la

I'm so lonely tonight
