

Change Up (Feat. Akon)

Fabulous

[Akon]

Konvict, Konvict[Fabulous]

We never change over here

Street Fame, Konvict[Akon]

If I'm your man, and you're my man

You ain't gotta worry 'bout where we stand

But you crossed the man, you forced my hand

And changin' who I am ain't part of my plan

'Cause I will not change up, change up, no

Said, I will not change up, change up, no Now, I don't know if I should hug him or slug him, now

And I don't know if I should cap him or dap him, now

But I know that it's feelin' funny, now

Maybe it's 'cause I'm gettin' this money, now

You see, things ain't the same

I said, things ain't the same (nah)

No, things ain't the same (nah)

And I know I ain't changed[Fabulous]

Yo, I make the money, but don't let it make me

So even if I go broke, nigga, you couldn't break me

Watch how long it take me to jump back on my feet (feet)

Quick as when the barrels jump back on the heat (heat)

Y'all don't wanna see me jump back in the street

So be happy that I ride through, slumped back in the seats

Being broke is a joke, I never found it funny

That's why I count my blessings as much as I count my money If I'm your man, and you're my man

You ain't gotta worry 'bout where we stand

But you crossed the man, you forced my hand

And changin' who I am ain't part of my plan

'Cause I will not change up, change up, no

Said, I will not change up, change up, no[Fabulous]

Some niggas change when they get change, funny when they get money

Switch when they get rich, strayed when they got paid

Ha, but I stresses you to holla

'Cause they never made bullet-proof vests out of dollars

We never change; this is us every day

I call them boys up, they gon' bust every K

They ride high, like them cust' Chevrolet's

Like O-Wax and Kaine, lookin' for his cousin killers

I got a dozen peelers for niggaz who doesn't feel us

I changed for a reason but, homey, it wasn't scrilla
They can't say that nothin' changed but my clothes
Oh, I'm lyin', I do change up my hos
I pitch game; you should see the change-up I throws
And gotta get 'em a ring to get 'em to swing
I'm a team player; if I win, then we won
They gon' put us all in the Hall of Fame when we done[Akon]
If I'm your man, and you're my man
You ain't gotta worry 'bout where we stand
But you crossed the man, you forced my hand
And changin' who I am ain't part of my plan
'Cause I will not change up, change up, no
Said, I will not change up, change up, noNow, I don't know if I should hug him or slug him, now
And I don't know if I should cap him or dap him, now
But I know that it's feelin' funny, now
Maybe it's 'cause I'm gettin' this money, now
You see, things ain't the same
I said, things ain't the same (nah)
No, things ain't the same (nah)
And I know I ain't changed[Fabolous]
Money can't buy happiness, but it's a damn good down payment
I don't talk much, feel like I'm around agents
The game ain't what it used to be
I'm the same, but these lames ain't used to me
Them other niggas be full of they-selves
Get money and disappear - try to pull a Chappelle
Well, I ain't hidin', I'm ridin'; I ain't duckin', I'm buckin'
I ain't hangin', I'm bangin'; I ain't willin', I've done it[Akon]
If I'm your man, and you're my man
You ain't gotta worry 'bout where we stand
But you crossed the man, you forced my hand
And changin' who I am ain't part of my plan
'Cause I will not change up, change up, no
Said, I will not change up, change up, noNow, I don't know if I should hug him or slug him, now
And I don't know if I should cap him or dap him, now
But I know that it's feelin' funny, now
Maybe it's 'cause I'm gettin' this money, now
You see, things ain't the same (nah)
I said, things ain't the same (nah)
No, things ain't the same
And I know I ain't changed
