

I Was a Lover, A Leader of Men

Bee Gees

Ah, ah, ah, ah
I was a lover, a leader of men
All of the women I knew were my friends
I was so happy, my feet on the ground I didn't know I was on the way down
'Cause you don't feel the same
It's only a game, it's only a game, it's only a game Ah, ah, ah, ah
I had a billion or two in the bank
I gave to charity, ain't got no thanks
You gave me all that a woman could give Less you're affection, I don't want to live
'Cause you don't feel the same
It's only a game, it's only a game, it's only a game
'Cause you don't feel the same I was a lover, a leader of me
All of the women I knew were my friends
I was so happy, my feet on the ground
I didn't know, I was on the way down 'Cause you don't feel the same
It's only a game, it's only a game, it's only a game Ah, ah, ah, ah
