Hang Loose

Weyman Parham

Don?t worry sweet baby!
Don?t you ever worry by a thing
Put your worry on the shelf
?don?t be?
Chorus:
Hang loose, hang loose? blue
Hang loose, hang loose
Flow with the time and I?mma think at you!
Come with me, sweet darling
I got. a ticket for the plane
We gonna fly? but just be you and me

And we?ll never let the sun?
Chorus:
Hang loose, hang loose? blue
Hang loose, hang loose
Flow with the time and I?mma think at you!
Alright, we gonna be alright
Alright, you gonna be alright!
I hang loose
I hang loose
Hang loose
I hang loose
