Mi-O-Mai

Mclusky

I lost my heart to a city state.
I lost my mind in the middle eight.
I sang sang sang to my Peggy Sue.
I spoke in tongues cos I wanted to.I lost my heart to a city state.
I lost my crown to a feather weight.
I sang sang sand to my Peggy Sue.
I tongued my back cos I wanted to.I lost my heart to a city state.
I lost my mind in the middle eight.
I sang sang sang to my Peggy Sue.
Where is my concentration?
