Bad Decisions

Bumpin Uglies

crackin open the natty light, were twistin another fatty tight, cause nothing tastes as good as that first hit. And working for money that's already spent on nights at the bar instead of the rent a _____ a _____ until you quit. And I cant see why we need to conform to the norm of what we are told to be. So were making bad decisions bad, bad decisions tonight. (woah) running amuck and keeping it up until the mornings light. (woah) cause we don't need no guarantees. live in the now and figure it out when its right. were making bad bad decisions tonight. now its a Tuesday night with nothing to do were knocking them back and taking a cruise, youre only under the influence if youre caught. nights spent _____ the wind, and most of the days nursing _____, _____ the dog is always worth a shot. honestly if it were up to me; my whole life would be just a mistake on repeat. so were making bad decisions. bad bad decisions tonight. (woah) running amuck and keeping it up until the mornings light. (woah) cause we don't need no guarantees. live in the now and figure it out when its right. were making bad bad decisions tonight. la da da da da da da da da. la da da da da da da da da. so were making bad decisions. bad bad decisions tonight. (Woah) running amuck and keeping it up until the mornings light. we don't need no guarantees. live in the now and figure it out when its right. were making bad bad decisions tonight.
