

# Have Mercy

Frankie Paul

Baby  
What can I do to make you forgive me  
For ever cheatin' on you  
See I was a fool, I plead insanity  
I throw myself at your mercy  
So do what you will with me  
Have mercy, mercy, mercy on me  
For cheatin' on you  
I don't know what I was thinkin'  
'Cause nobody could do me like you  
Have mercy, mercy, mercy on me  
For cheatin' on you  
I don't know what I was thinkin'  
'Cause nobody could do me like you  
Lover, do you hear me  
I took your love for granted but now I see, I see  
I should've never let him in, I just misunderstood  
When I thought he'd give me what you already could  
Have mercy, mercy, mercy on me  
For cheatin' on you  
I don't know what I was thinkin'  
'Cause nobody could do me like you  
Have mercy, mercy, mercy on me  
For cheatin' on you  
I don't know what I was thinkin'  
'Cause nobody could do me like you  
Yea  
Well well well well  
Alright  
Have mercy on me  
Have mercy, mercy, mercy on me  
For cheatin' on you  
I don't know what I was thinkin'  
'Cause nobody can do me like you  
Have mercy, mercy, mercy on me  
For cheatin' on you  
I don't know what I was thinkin'  
'Cause nobody can do me like you  
Have mercy, mercy, mercy on me

For cheatin' on you  
I don't know what I was thinkin'  
'Cause nobody can do me like you  
Have mercy, mercy, mercy on me

For cheatin' on you  
I don't know what I was thinkin'  
'Cause nobody can do me like you  
Have mercy, mercy, mercy  
Have mercy, mercy, mercy  
Have mercy, mercy, mercy
