Cooper

Silence, like a whisper  
Maybe tomorrow it won't be here  
So tomorrow we could teach them  
Some new styles You're such a killer  
So shoot me down again  
It won't hurt when the killing  
Is done by a friend Silence, like a whisper  
So this is all we need  
The fully air conditioned sound of speed A violent whisper  
And this time it's for real  
So this day I made plans for us to leave Silence, why won't you listen  
Maybe it's just me  
But sometimes it's impossible to breathe A violent whisper  
Maybe this time it won't heal  
Maybe this time it will bleed until I'm free
