If You Knew

This Rigid Empire

Why can't we just talk about it?
Sometimes your such a bitch
Your problems don't mean shit to me
Stop pretending that you?re God
I want to make things right
But all you do is complain
And all I want to do is fix this
But fuck this

Cause you'll always be the same
And we'll always be the same
Do you ever see the light?
If you knew..
If you knew?

If you knew, if you knew
If you knew you'd love me too
I love you, I love you
If you knew, youd love me too

But you'll always be the same
And we'll always be the same
Why can't anything work out?
Now I'm broken, left without
I don't want it to be the same
Cause it's always the fucking same.
Someday everything would work out
If you knew..
If you knew...
