

Traveller

My Buddy Moose

Existential matters ignite in circulation.
A motion to bend, towards the swift end.
Encompassing a visionary plead to defend. Liberation of the five senses, the ego phrase.
Metamorphosis of perceptual principles.
Platonic illumination of Natures' quincunx.
Which hemisphere is mine to hold? Traveller of the x-scape, through endomorphism of time.
Hybrid existence - through spirituality endures the reality.
Traveller of the x-scape, through the gravisphere of wisdom.
Hyper potency - the predominant endurance through infinity. The iridescence of the solar glimpse.
Through the eyes of Himm and Hippo.
Just another sole strike of the sun.
A stone in the hand or the thought of it? Traveller of the x-scape, through endomorphism of time.
Hybrid existence - through spirituality endures the reality.
Traveller of the x-scape, through the gravisphere of wisdom.
Hyper potency - the predominant endurance through infinity. Thoughts of a thinker.
Infinity of numbers.
Numbered thoughts.
Thoughts of infinity. "Numbers are the essence of all things and the metaphysical principle of rational order in the universe" (Pythagoras). Liberation of the five senses, the ego phrase.
Everlasting metamorphosis of perceptual principles.
