B Train

Bravehearts

All aboard! All the whores!Yo' we came to take shit to the next stage
And all y'all motherfuckers better be brave
'Cause it's that new shit, exclusive jungle and wiz
Roofless, my nigga, straight out the ridgeWhat's happenin comrade, you ready for combat
'Cause ain't no turnin' back, I drank some cognac
I watch my money stack, it's popin' like that
I broke a nigga back wit a baseball batI crack ya fuckin' skull, you need a body bag
Ya family mad and sad, I'll be glad
Ya corpse be layed out in a blood bag
Sneak attack wit the ski mask in the mailSee I got no gun range, I got the block man
I test my gun aim on soggy cornflakes, you bested run man
No love it's all pain, y'all motherfuckers don't wanna bang
with my gang and these bitches ova here wanna give a nigga brainGot the stainless? Police searchin' the range
They wanna war when I'm doin my thang
Got ice all, chains and rings and thangs
If you don't smoke purple you can't hangIs you a Brave Heart? To the grave y'all
Light let's get this muthafuckin' paper
Is you a Brave Heart? To the grave y'all
Light lets' get this money now not later'Cause it's the B train, the B train
All the hoes all aboard the B train
All the hoes all aboard the B trainYo,yo it don't stop, fuck the cops,body drop
In the hood, gun shots, pop a lot, get the cash if you could
I'm in the shade when the coke is cookin'
I got hoes in La to Brims Ville, BrooklynJungle's a king, I'm ballin' in queens
Got yellow ice in my pinky rings
Money on my mind, my hand's on the nine
Understand my nigga it's all about crimeMotha block is full of money getters,who know the difference
Between shooters and hitters, buyers and sellers, liars and tellers
Knowin' and guessin', that's it up with a big weapon
Wait till I catch 'em, his face, I'm a step in these brave niggasGot you in a daze knowin' got me scoopin' all the bitches
Gettin' paid I like that, ill will bringin back QB till the death
These other niggas is whack'Cause it's the B train, the B train
All the hoes all aboard the B train
All the hoes all aboard the B train
