

I Must Be Stupid (Horn Version)

Jeffries Fan Club

She was the best thing that I'd ever seen
Her long dark hair was calling out to me
Her eyes were blue
Just like the sea
I should have known she'd never like me
Everybody told me stay away from her
That girl is trouble you'll get what you deserve
I didn't listen her eyes were just too sweet
I learned my lesson as she made a fool of me
I must be stupid 'cause I'm the one who cried
I must be stupid cause I fell for a lie
But now I know the devil's in that girl
I must be stupid 'cause I'm the one who fell
Fell in love
Sometimes I still see her out at night
Every time I see her she's with a different guy
It felt so right
How could it be wrong
She said she loved me
Then she was gone
