

Back To the Start

[Nikki Sudden](#)

Back to the start again
But things won't be the same as then
They've changed too much
But it could still be fun.Look out and you'll see
It's never always that easy
They've changed too much
But it could still be fun.And, could you ever see
There's another way to look at it
It's what you want to be
As long as it stays fun.
I could give my life to you
Spend every moment watching you
You've changed, but does that matter
That much.Back to the start again
But things won't be the same as then
They've changed too much
But it could still be fun.But I could never see
How you could try and cry for me
I've given that back
Many times before.
Back to the start again
But things won't be the same as then
They've changed too much
But it could still be fun.
