Everything Burns

Ben Moody feat. Anastacia

She sits in her corner singing herself to sleep
Wrapped in all of the promises that no one seems to keep
She no longer cries to herself no tears left to wash away
Just diaries of empty pages feelings gone astray
But she will singTill everything burns while everyone screams
Burning their lies, burning my dreams
All of this hate and all of this pain
Burning all down as my anger reigns, till everything burnsWalking through life unnoticed
Knowing that no one cares
Too consumed in their masquerade
No one sees her there and still she singsTill everything burns while everyone screams
Burning their lies, burning my dreams
All of this hate and all of this pain
Burning all down as my anger reigns, till everything burnsEverything burns, everything burns, everything burns
Watching it all fade away
Everything burns, everyone screams, everyone screams
Watching it all fade awayTill everything burns while everyone screams
Burning their lies, burning my dreams
All of this hate and all of this pain
Burning all down as my anger reigns till everything burnsEverything burns
Watching it all fade away
Everything burns
Watching it all fade away
