

Only You

Nana Mouskouri

Here within my heart,
The very deepest part.
I kept to myself,
But your love made me strong.
And now my heart belongs
To no one else.
There's no one else. Only you
Can have the part of me.
I gave to only you;
No one else can love me
Just the way you do.
No matter what we go through,
Forever, I love only you. There's something in your touch
That tells me just how much
You feel inside.
You're not afraid to show
How far your love would go.
There's no end in sight,
So, for all my life... Forever, forever,
Only you
Can have the part of me.
I gave to only you;
No one else can love me
Just the way you do.
No matter what we go through.
