Is It True?

The School

- The boy I knew before would never have done that
- The boy I knew before would always treat me right-- So I can't believe what they've started saying about you
-- Is it true what they say?
- Cos I don't wanna be alone
- Is it true what they say?
- Cos I don't wanna be alone-- The boy I knew before brought flowers every day
- The boy I knew before would never ever stray
-- So I can't believe what they're
- whispering about you
