

Only Fools

Crystal Lewis

only fools follow gold
only wise men know
i'm no fool, you've changed my point of view
to be kind is quality that i richly desire
it is better to be poor than a liar
no longer see things controlling me
you have spoken, i have listened
only fools believe in only what they see
the wise are rich indeed
what a friend we have in Jesus
he hears all our cries
if you listen, you'll hear him crying too...
