Jesus

Le'Andria Johnson

Call him like you want him

Look at myself in the mirrorrrr
Religion lookin back at me
Iii threw my hands in the air
and the lawwww arrested me
calll interruuupted
I needed to break out and get freedom
one bad decision after the neext
just getting by, letting you figureee meeee, ooohhhh

Jesus
Call him like you want him
Call him like you need him
but Jesus yeah Jesus yeah
Jesus
ohhhh Jesus yeah

Curses unbroken yeahhhh
Still holding me down Bondage,
i was even thinking
I wasn't good enough for Gods Best
But Iiiim in my closet
Yes I am
Im in my closet
Time after time
Praying Jesus, singing Jesus, cryyyyyying Jesus

Jesus
Call him like you want him (Call him)
Call him like you need him (Call him ohh ,call him Jesus)
Jesus
There is no other like him in my life
Religion died in my life
Yeah Jesus
Call him like you want him (Call him)
Call him like you need him
You gotta get down on your knees and call on Jesus
I dare you
I dare you to think of one thing and testify, testify to yourself, heyy heeyyy

Our father Jesus
Which art in Heaven Jesus
Hallowed be thy name Jesus
Thy kingdom come Jesus
No no no other name Jesus
Ohh Lord Jesus Jesus Jesus Jesus Je Je Je Je je je je je jejeje-- sus
Ohh my God
This is the extended version
Jesus
Call him like you want him
Call him like you need him
