All 4 Love (Re-Recorded / Remastered)

Color Me Badd

I'm so glad you're my girl
I'll do anything for you
Call you every night
And give you flowers to
I thank the Lord for you
And think about you all the time
I ask him everyday
That you'll for-ever be mineI wanna hold your hand
To show you I'll be there
I like to do the things
That let you know I care
I sing this lullaby
Cause girl you fill me full
I look into your eyes
You're so beautifulOh girl I think I love ya
I'm always thinkin' of ya
I want ch-ya to know I do all for love
I love it when we're together
Girl I need you forever
And want you to know I do it all for loveI will never leave you sugar
This I guarantee
I look in to the future
I see you and me
Knight in shining armor
I will be your fairy tale
I wanna take care of you
Girl, I'll serve you well.I will be there for ya
To catch you when you fall
I'll hold you in my arms
That's where you belong
I sing this lullaby
Cause girl you fill me full
I look in to your eyes
You're so beautiful, beautiful, yeah!Oh girl I think I love ya
I'm always thinkin' of ya
I want ch-ya to know I do all for love
I love it when we're together
Girl I need you forever
And want you to know I do it all for loveYo, come here sweetheart

I want you to know something all right
See everyday in my life without you
Is like a hundred years
The distance between us
An ocean of tears
See all the things I do for you
Are for love dig itAll for lovin' (all for love)
All for you (you)
All for lovin' you, you, you, youOh girl I think I love ya
I'm always thinkin' of ya
I want ch-ya to know I do all for love
I love it when we're together
Girl I need you forever
And want you to know I do it all for love
