## **Head Up**

## **Sugarcult**

Keep your head up The colors are beautiful When they say give up Turn up your radio All the sentimental memories you own When they say grow up It's just like a funeral Keep your head up The colors are beautiful Keep your head up It's all right in front of you When they say wake up You're braking ridicule When all the sentimental memories you own Keep you trapped inside your room there all alone And it feels like It feels like you're lost And it feels like It feels like you're lost

Is there some way you can be out on your own? Trust yourself Don't waste another day at all On your own Keep your head up The colors are beautiful And it feels like It feels like you're lost And it feels like It feels like you're lost Is there some way you can be out on your own? Trust yourself Don't waste another day at all Watch this fade away Everything fades away Keep your head up The colors are beautiful
