

# Bet It All on Black

**David Luning**

There was a time that I remember  
When I was so afraid to fall  
But today I'm goin' all in  
The time has ended for the crawl  
I'm throwin' caution to the wind  
And there ain't no turnin' back  
Bet it all on blackAin't no time for second guessin'  
I know what I've gotta do  
All my money's on the table  
It's let it ride in this smokey room  
Throwin' caution to the wind  
And there ain't no turnin' back  
Bet it all on blackTime and again  
I have found out my friend  
There ain't no use in holdin' back  
Time and again  
I have found out my friend  
There ain't no use in holdin' backBet it all on black  
Bet it all on black  
And so the night comes to an end  
It's time for me to leave this place  
And I might be back here again  
But I will never be the same  
Throwin' caution to the wind  
And there ain't no turnin' back  
Bet it all on black  
Bet it all on black  
Bet it all on black  
Bet it all on black
