## Ungerrose

I am  
Down the road and up the hill

I wait for you still  
Wires 'round my fingers  
Potentially lovely  
Perpetually human  
Suspended and open

Open  
Open  
I am

Through the woods and past the trains

I wait here in vain  
Scrubbing out the stains again  
Potentially lovely  
Perpetually human  
Suspended and open

Open  
Open

In the night, the snow starts falling

And everybody stares  
Through their windows at the streetlights

Too beautiful to see

I am

In a room I've built myself

Four straight walls  
One floor  
One ceiling

And day after day, I wake up feeling  
Day after day, I wake up feeling, feeling

Potentially lovely  
Perpetually human  
Suspended and open

Open  
Open  
Open

Open up

Your eyes  
And then...
