Promise Me

The Crawlers

I realize now I can't get you back
I pushed you too far away
You're too strong to be led on
And now I know the face
That will haunt me forever
Oh, what have I done?
Oh, what have I done?
Just please, please, promise me
Somewhere dark and deep in your heart
You'll keep a tiny place for me
Where no one new can reach
Just promise me
Somewhere dark and deep in your heart
You'll keep a tiny place for me
Where no one else can reach
Promise me, promise me now
Promise me, promise me now
Promise me, promise me
