Fat Joe

Advisory - the following lyrics contain explicit language:

Yeah yeah

Do you Don Cartagena solemnly swear to take this game of hip-hop  
As your lawfully wedded wife through sickness and health  
'Til death do you part?

I do

Aight then, you now may spit on the bride I bet you thought I left you hangin', Joe Crack returns bangin'  
With somethin' brand spankin', what the fuck was y'all thinkin'?

Blow out your tweeters, have dinner with world leaders

Terror Squad so much they be cats with dark caesars Fast cars and millimeters, gold cards and Visa's  
Givin' nonbelievers ways to fly with Jesus

Here's my thesis, enterprise break the block to pieces

Hustler and hard pool shark like Jack Gleason The only reason I came back was for the platinum

With raps, ten times more deadly than saccharin

MC's be actin', I think somebody needs to slap 'em

Run up on 'em attack 'em, and ask 'em what's his passion My love is rockin' shows at the highest extremity

This star from Trinity got your mom sayin' she's feelin' me

Who's dealin' ki's, that's peace, get your cheese, [Incomprehensible]

Pump this masterpiece at the loudest degree Let me find out niggaz is noddin' out

Take some time out you wondered my whereabouts

The truth is I never left you, I kept my promise

Don Cartagena blessed you, now pay homage Let me find out niggaz is noddin' out

Take some time out you wondered my whereabouts

The truth is I never left you, I kept my promise

Don Cartagena blessed you, now pay homage Yo fuck movin' mountains, I move planets and you be Earthless

Terror Squad the worst that hurt shit, split you to verses

Joey Crack the world in half, Punisher punish 'em

'Til they lose the hopes and dreams

They had then Armageddon finish 'em Yo I'm bout as braze as Satan, no exaggeratin'

My crew is radiatin', shinin' while you playa-hation

Cartagena hit 'em like the Red Army invasion

Operation lace 'em show 'em what they facin', what? I've been down since the days of Flash

When it was fun and laughs, before hip-hop was based on cash

Let's blaze a sack and concentrate on coke inflation  
You know the biggest asses in United Nations Fuck the Federation, general population is hibernatin'  
But bear witness to information that'll rock this nation  
I'm not God, but indeed, my mind's relatin'  
Better act now, before your life is wasted 'cause time is racin' Let me find out niggaz is noddin' out  
Take some time out you wondered my whereabouts  
The truth is I never left you, I kept my promise  
Don Cartagena blessed you, now pay homage Let me find out niggaz is noddin' out  
Take some time out you wondered my whereabouts  
The truth is I never left you, I kept my promise  
Don Cartagena blessed you, now pay homage Let me find out niggaz is noddin' out  
Take some time out you wondered my whereabouts  
The truth is I never left you, I kept my promise  
Don Cartagena blessed you, now pay homage Let me find out niggaz is noddin' out  
Take some time out you wondered my whereabouts  
The truth is I never left you, I kept my promise  
Don Cartagena blessed you, now pay homage Let me find out  
Yeah, now do you hip-hop  
Take Don Cartagena, as your lawfully wedded husband  
Now by the power invested in me, by me  
I pronounce you husband and wife Joey Crack, A.K.A. Kaiser Soze  
Heads beware, there's mad fear in the air  
Joey Crack, A.K.A. Kaiser Soze  
Knuckleheads beware, knuckleheads beware  
Joey Crack, A.K.A. Kaiser Soze  
Knuckleheads beware, there's mad tension in the air
