

# Sanctified

## Prime Minister

It's still getting worse after everything I've tried  
What if I found a way to wash it all aside  
What if she touches with those fingertips  
As the words spill out like fire from her lips? If she says come inside, I'll come inside for her  
If she says give it all, I'll give everything to her  
I am justified, I am purified, I am sanctified inside you Heaven's just a rumor she'll dispel  
As she walks me through the nicest parts of Hell  
I still dream of lips I never should have kissed  
Well, she knows exactly what I can't resist And if she says come inside, I'll come inside for her  
And if she says give it all, I'll give everything to her  
I am justified, I am purified, I am sanctified inside you [Incomprehensible] I'm just caught up in another of her  
spells  
Well, she's turning me into someone else  
Everyday I hope and pray that this will end  
But when I can I do it all again And if she says come inside, I'll come inside for her  
And if she says give it all, I'll give everything to her  
I am justified, I am purified, I am sanctified inside you  
I am justified, I am purified, I am sanctified inside you, oh no
