I'm Going Through

The Bolton Brothers

I'm going through all the way. I'm going through no matter what it takes. I made up in my mind that I'm going all the way. I'll follow Jesus. I'll follow him. I'll follow Jesus all the way. In your despair seems like God is always there. Even though it seems like no one really cares. But it's my determination to change for the Lord. I may not be what I should be. I may not be all that I should be. But I thank God I thank God I'm not what I used to be. Follow Jesus
