

Beautiful (cover by Drew Tabor & Kait Weston)

Carly Rae Jepsen

Hello, I know it's been a while
I wonder where you are
And if you think of me
Sometimes cause you're always on my mind
You know I had it rough
Tryin' to forget you but The more that I look around
The more I realize
You're all I'm lookin' for What makes you so beautiful
Is you don't know how beautiful you are
To me
You're not tryin' to be perfect
Nobody's perfect
But you are
To me (to me)
It's how you take my breath away
Feel the words that I don't say
I wish somehow
I could say them now
Oh, I could say them now
Yeah Just friends
The beginning or the end
How do we make sense
When we're on our own
It's like you're the other half of me
I feel incomplete
Should have know
Nothing in the world compares
To the feelings that we share
It's so not fair What makes you so beautiful
Is you don't know how beautiful you are
To me
You're not tryin' to be perfect
Nobody's perfect
But you are
To me (to me)
It's how you take my breath away
Feel the words that I don't say
I wish somehow
I could say them now It's not you

Blame it all on me
I was running from myself
'Cause I couldn't tell
How deep that we
We were gonna be
I was scared it's destiny
But it hurts like hell
Hope it's not too late
Just a twist of fate What makes you so beautiful
Is you don't know how beautiful you are
To me
You're not tryin' to be perfect
Nobody's perfect
But you are
To me (to me)
It's how you take my breath away
Feel the words that I don't say
I wish somehow
I could say them now
Oh, I could say them now, mm
