

# Pipedown

## Babyshambles

Oh Paddy put the pipe down  
If you got the right sound  
If it's not the right sound  
Then neither am I, oh my oh my Do your sums  
Work out a fairer way  
If it comes undone  
Just paper over the cracks  
And there ain't no turning back Oh on The Sun  
They make you out to be a tearaway  
Comes undone  
Ah I just spoke to Matt  
Pat, they want the money back Ah put the pipe down  
If you got the right sound  
If it's not the right sound  
Oh my Oh my Oh my Do your sums  
Work out a fairer way  
Can you play no fun  
Oh what you think of that  
Cause they wanted but You better pipe down  
You got the right sound  
Put the pipe down  
Oh my Oh my Oh my Na, na-na, na-na Oh Paddy put the pipe down  
If you got the right sound  
If it's not the right sound  
Neither am I, oh my oh my Oh Paddy put the pipe down  
If you got the right sound  
If it's the right sound  
Oh my Oh my Oh my
