Just Not Fair

Trey Songz

They say follow a good woman, she'll never lead you astray
So to this day don't understand how yoo keep up with me,
'cause I'm a bad boy, Sean Diddy Combs,
Every city, different biddy, that's the shit he on
And at the same time I'm very regretful,
'cause it's the truth when I tell you that you're special,
Only one I wanna hold, when the night fall,
These other broads get night rod, give me face time, no iPhone or Skype call
Chorus:
I can't even breath,
'cause You're my air, you're my air,
I can't sleep at night, I can't sleep,
Causeou're not, you're not here,
Don't wanna let you go (I don't wanna)
This I swear (but I gotta)
I still love you girl,
But it's just not fair to you, the things I put you through (yeah)
(Feel like the scum of the earth)
It's just not fair to you (I can't keep holdin on)
You deserve better for you, yeah
Said it's just not fair.
If I should be lettin go
But how can I let you go girl,
When you're such a special girl,
And just like the Jerry Curl you're so glow,
Spirit of an angel, plus you be the realist shit,
When the water's rocky, you're the sail to my ship,
And the anchor, hold a nigga down everywhere you go,
Big booty cutie, you my type, no stereo
Fender broke, tinted no, you was still in it though
Angelic as dove, these other birds is chickens yo
Can we really call it immature?
From mature, not to tell you all I ever do is fail you,
Could never reassure you that you're different from others,
Even if my most special moments spent when you or my mother,
Only you can hear my deepest secrets,
Only you can have comfort me
But soon enough you say this nigga only disappointin' me

Guess I'm having fun,
But what good will the enjoyment be if I know you not there supportin' me
So I'mma let u go...stupidly
Chorus:
I can't even breath,
'cause You're my air (air girl)
I can't sleep at night
Cause you're not here,
Don't wanna let you go,
This I swear, but I gotta
Cause I still love you girl,
But it's just not fair to you
The things I put you through (yeah)
It's just not fair to you
You deserve better for you, yeah
Said it's just not fair.
Girl if I can hold heart in my hands, I'd do it ever so gently
But I don't want the blood on my hand
Even though I know it's 'cause of me
That you cry alone, sleepness nights, deep inside
It hurts that I can't be the man you need me to
Still I know I need you,
Chorus:
I can't even breath, 'cause you're my air,
I can't sleep at night
'cause you're not, you're not here,
Don't wanna let you go, this I swear,
'cause I still love you girl,
But it's just not fair.
I can't even breath, you're my air
I can't sleep at night, I can't sleep at night,
'cause you're not, you're not here,
Don't wanna let you go, this I swear,
I still love you girl,
But it's just not fair to you,
The things that I put you through, yeah,
It's just not fair.
