I Wanna Go To The Sun

Peter Frampton

Well, like I said before
Pay up your money and you ask for more
But there's no reason
Yeah, no reasonI can't say goodbye
Tried all too hard and it made you cry
Yet, I've been cheating
Yeah, I've been cheatingLike before you threw me out the door
And I couldn't see behind me
Like before when I asked for more
I couldn't be myselfStill singin' this song
Baby can't you do me wrong
Music is my food and life
Don't take it awayI want the world to see
I don't care when it will be
There's no doubt
I wanna go to the sun, everyone
Yeah, you start to look oldSand and sea, will do it endlessly
I will never, turn it away
Well, salty air seagulls everywhere
I wanna live there one day
But I'm still singin' my song
Baby won't you do me wrong
Music is my food and life
Don't take it awayI want the world to see
I'm about
I don't care when it will be
I'm alright
I wanna go to the sun, everyone
I'll tell you what you must doI want the world to see
I'm about
I don't care when it will be
There's no doubt
I wanna go to the sun, everyoneI don't know what I can do
I wanna go to the sun, everyone
I don't care when it will be
There's no doubt
I wanna go to the sun, everyone
I'll tell you what I must doI want the world to see
I can't know when it will be

I don't know when it will be
I don't care when it will be
I wanna go to the sunI don't care when it will be
I want the world to see
I want everyone to see
I want everyone to see
I want everyone to be
What I want to be
I want to be free
