

Secret World (Live Parc Des Princes 18062005)

Tears for Fears

This is a garden
This is a steeple
I hear the crowd
Before I ever
See the people
Yours for the asking
And for the taking
There is a power
In the vacuum
We are making You and I have a secret world
And we can keep it unfurled
And pay no attention
To the cradle or the grave And when we're crossed
We can say that we're lost
In the middle of nowhere
Think you'll like it a lot
And if we're wrong
And we end up alone
We'll light a candle
For their innocent bones You and I have a secret world
And we can keep it unfurled
And pay no attention
To the cradle or the grave You and I have a secret world
And we can keep it unfurled
And pay no attention
To the cradle or the grave And when we're crossed
We can say that we're lost
In the middle of nowhere
Think you'll like it a lot
And if we're wrong
And we end up alone
We'll light a candle
For their innocent bones You and I have a secret world
And we can keep it unfurled
And pay no attention
To the cradle or the grave And when we're crossed
We can say that we're lost
In the middle of nowhere
Think you'll like it a lot

And if we're wrong
And we end up alone
We'll light a candle
For their innocent bones
