

# Hallelujah

## Audrey

Hallelujah, salvation, glory, power and majesty  
Belongs to Him alone  
Hallelujah, King of kings and Lord of lords  
He reign's forever moreRejoice and be glad  
Let us rejoice in the Lord  
For the Lord our God has delivered us  
From the curse of sin and deathChorusGod gave to us His only Son, for our sin  
That whoever shall believe in Him  
Will not die but live again
