# When The Lights Fade

## [Chris Mann](Chris Mann)

When the lights fade
It?s such a pretty view
On the last take all I see is you
In the fast lane the city rushes by
I just can?t wait ?cause we only have tonight
Feels like I?m slipping
I?m losing my way
Everyone's pushing and pulling
I don?t know how much I can take
So I?m holding on
You?re my life line and I fall right into you
Holding on, and you?re the only way
Slow me down, I stay on the ground
Holding on is all I can do until the lights fade
In the doorway of a perfect little house I see you waiting
And my heart is the only sound
You?re the one thing I can?t get enough

I keep on wishing and hoping
I don?t know how long I can wait so I?m?
I?m holding on
You?re my life line and I?m fall right into you
Holding on, and you?re the only way
Slow me down, I stay on the ground
Holding on is all I can do until the lights fade
Take me higher than I?ve ever been
Where you are is where I?m home
I?ll be your shelter, I?ll watch over you
I?ll hold my hand out and together we?ll be
I?m holding on, you?re my life line and I?ll fall right into you.
So I?m holding on
You?re my life line and I?m fall right into you
Holding on, and you?re the only way
Slow me down, I stay on the ground
Holding on is all I can do until the lights fade
