Supplier

Freddie Gibbs

[Chorus: Trey Songz]Anything I want I can buy it
That's why I always keep bad women beside me
I got something that they need
I got something that they want
I got something that they need
Call me the supplier
Oh
All day long the feens calling my phone (ring-ding-dong)
Cause they know I always got that fire
I got something that they need
I got something that they want
I got something that they need
Call me the supplier
[Verse 1:]Yeah, I'm a supplier
Call me marow cause I'm off the wire
Yeah, I'm on fire
Say that hes a king, hes a Goddamn liar
Tell me what it do, tell me where it be
Got what you want, I got yours in the street
And I ain't talk cd's should of been...
The way I hanlde them keys
Hey, hey
You know I handle them keys and I anit talkin about a leash, but I play with them keys
Yeah and I'm the man to see
And if you want a pretty girl you can hallar at me
Cause I'm the man to be
And everybody in the streets they demanding me
Hey
So what's happening
What the lead ring
What the movie
What the...
Yeah
I'm the supplier
Call me marlow cause I'm off the wire
[Chorus: Trey Songz]Anything I want I can buy it
That's why I always keep bad women beside me
I got something that they need
I got something that they want

I got something that they need
Call me the supplier
Oh
All day long the feens calling my phone (ring-ding-dong)
Cause they know I always got that fire
I got something that they need
I got something that they want
I got something that they need
Call me the supplier
[Verse 2:]Extra, extra, hear all about it

? five hundred thousand (half a mil)
And they like, I'm way too rich
Have diamonds around my neck like a baseball feen
I marry snow white cause she make me cream
And this is not a fairy tale, I'm every d-boy dream
I'm the hottest right now, I feel the blow like cold wind
There's a blizzard in my city, yeah the h snowed in
[Chorus: Trey Songz]Anything I want I can buy it
That's why I always keep bad women beside me
I got something that they need
I got something that they want
I got something that they need
Call me the supplier
Oh
All day long the feens calling my phone (ring-ding-dong)
Cause they know I always got that fire
I got something that they need
I got something that they want
I got something that they need
Call me the supplier
[Verse 3: Lil Wayne]Talk: I got you l o
Uh-oh, like hey lil mama
He can spend money but we can spend a day lil mama
Cause I'm a rider
But I could be that it much more like a supplier
Shawty I could carry you like my wire
Hey lil homie I'm just burying you like a tire
I'm tryna tell her
He could buy you a bar, I'll buy you wine cellar
He could leave you tomorrow, and I could fuck you forever
Ha, now what you think about that
You could fuck around and get a ring about that
But this ain't about that, cause after a while I do his thing about that
And that be you

However we could turn back to me and you
Yeah, park my lambo in your harley
When it comes to some fries call me mr. wildheart
[Chorus: Trey Songz]Anything I want I can buy it
That's why I always keep bad women beside me
I got something that they need
I got something that they want
I got something that they need
Call me the supplier
Oh
All day long the feens calling my phone (ring-ding-dong)
Cause they know I always got that fire
I got something that they need
I got something that they want
I got something that they need
Call me the supplier
