Your Good Thing Is About to End

Lou Rawls

I don't have to beg you to hold me
Cause somebody else will
You don't have to love me when I want it
Cause somebody else willYour so called friends say you don't need it
When all the time they're trying to get it
Look outYour good thing
Is about to come to an end
Your real good thing
Is about to come to an endAll those nights I watched the four walls
I did not have to watch them all alone
When other men said they wanted me
I didn't have to tell them I was your very ownYou have all the love that I've got baby
Even ice melts to water and gets hot
Look outYour good thing
Is about to come to an end
Your real good thing
Is about to endGettin' myself back together
Is gonna be a big problem I know
But when the right man says he wants me
You can bet I won't say noCause your real good thing
Is about to end
Your real, your good thing
Your good thing, babyYour good thing
Your good thing
Is about to come to an end
Yeah, yeah, yeah, yeahYour good thing
Your good thing
Your good thing, baby
