

# Sparkling Diamonds (Original Film Version)

**Nicole Kidman, Jim Broadbent, Caroline O'Connor, N**

The French are glad to die for love  
A kiss on the hand may be quite continental  
But diamonds are a girl's best friend  
A kiss may be grand but it won't pay the rental on your humble flat  
Or help you feed your helpless cat  
Men grow cold as girls grow old  
And we all lose our charms in the end  
But square cut or pear shape these rocks don't lose their shape  
Cuz diamonds are a girl's best friend  
Tiffany!  
Cartie!  
Cause we are living in a material world and I am a material girl  
Ah come and get me boys ow!  
Black star, Ross Cole talk to me Harry Zidler, tell me all about it!  
There may come a time when a lass needs a lawyer  
But diamonds are a girl's best friend  
There may come a time when a hard-worked employer thinks you're awful nice  
But get that ice or else no dice  
He's your guy when stocks are high so beware when they start to descend  
Ooh.diamonds are a girl's best  
Diamonds are a girl's best  
Diamonds are a girl's best friend  
Let's make love  
Yes! yes! tiger!  
Zidler: EVERYTHING'S GOING SO WELL!(screams)  
Cause that's when those louses go back to their spouses  
Diamonds are a girl's best friend
