Love Will Never Lie

Michael Learns to Rock

Nothing can stop emotions
That run down the sides of your face
Wish I could change this moment to
Another time and placeNothing you say can move me
I've chosen the road that I'm on
I have to join the fight for freedom
Until the war is wonWe will keep the faith between us
If we only try
We will keep the truth inside us
Love will never lieSomeone will always hear you
Care about you when you cry
But no one can hear my heart is breaking
As I say goodbye
