

# Stabbed In the Back

## Nasty Savage

Living for the unknown  
Only searching for trouble  
Cheating and stealing from your best friend  
No more job, all you do is no good  
Running from the police  
For stealing a car  
Mug a lady of a hundred and five  
That only has a dime  
Who's the next victim - stabbed in the back  
Terror doom, destruction - stabbed in the back  
Misleading lies - stabbing in the back  
Who's the next victim - stabbed in the back  
Evil thoughts cross your mind  
As you buy a gun  
Rob a supermarket  
Leaving no visible trail  
Shoot and kill a man  
For a twenty dollar bill  
Causing misgrief to all the women you meet  
Don't even know who's your son  
Giving blood as donor  
Knowing that you have AIDS  
Always think you're right  
But you're really wrong  
Living for the unknown  
Only searching for trouble  
Cheating and stealing from your best friend  
No more job, all you do is no good  
Parents don't want you  
Pay for you to leave the house  
Frustrations grow stronger  
These past few days  
Who's the next
