

# Crucify

Emma Hewitt

Every finger in the room was pointing at me, I wanna spit  
In their faces then I get afraid of what that could bring  
I got a bowling ball in my stomach, I got a desert in my mouth  
Figures that my courage would choose to sell out now I've been looking for a savior in these dirty streets  
Looking for a savior beneath these dirty sheets  
I've been raising up my hands drive another nail in  
Just what God needs one more victim Why do we crucify ourselves?  
Everyday I crucify myself  
And nothing I do is good enough for you  
I crucify myself Everyday I crucify myself  
And my heart is sick of being  
I said, "My heart is sick of being in  
Chains, chains" Got a kick for a dog begging for love  
I gotta I have my suffering so that I can have my cross  
I know a cat named Easter, he says, "Will you ever learn  
You're just an empty cage girl if you kill the bird" I've been looking for a savior in these dirty streets  
Looking for a savior beneath these dirty sheets  
I've been raising up my hands, drive another nail in  
Got enough guilt to start my own religion Why do we crucify ourselves?  
Every day I crucify myself  
And nothing I do is good enough for you  
Crucify myself Every day I crucify myself  
And my heart is sick of being  
I said, "My heart is sick of being in  
Chains, chains" Please save me, I cry Looking for a savior in these dirty streets  
Looking for a savior beneath these dirty sheets  
I've been raising up my hands, drive another nail in  
Where're those Angels when you need them? Why do we crucify ourselves?  
Every day I crucify myself  
And nothing I do is good enough for you  
Crucify myself Every day I crucify myself  
And my heart is sick of being  
I said, "My heart is sick of being in  
Chains, chains" Why do we crucify ourselves?  
Why do we crucify ourselves?  
Why do we crucify ourselves?  
Why do we crucify ourselves?  
Why do we crucify ourselves?  
Why do we crucify ourselves? Every day
