Life Restored (Parody of "Last Resort")

ApologetiX

Plug my life into Jesus - this gets my life restored
Such a cakewalk - no brainer
Don't need to fuss if I call on our saviour
This gets my life restored
Put my life into Jesus - I've seen my life restored
Such a cakewalk - no brainer
Don't need to fuss since I called Him my saviour
Do not even care if I die later
'Cause I belong to Jesus Christ
If they took my life tonight - chances are I'd arrive
In a place that's out of sight - and I'm confident I m doin' fine
'Cause I'm improving my life, renewing my mind
This all started with Romans 10:9
Doing what's right, doin' quite fine...
This all started with Romans 10:9
I never realised I was meant to live
To live a new life I would let Him within
Told me- death is the payoff for living in sin
End the cycle when you're born again
It all started when I first discovered
The Book on my shelf and read cover to cover
Searching - to find religion that held my attention
Finding - something called Christian redemption
'Cause I m improving my life, renewing my mind
This all started with Romans 10:9
Doing what's right, doin quite fine
This all started with Romans 10:9
I'll be all right - I'll be just fine - You're runnin' out of time
I'm fine, I'm fine, I'm fine, I'm fine... I can't go wrong living this way
Plug my life into Jesus - this gets my life restored
Selfish nature - don't need it
Go give it up - you can conquer your demons
Would it be wrong for me to pry
If you give your life to Christ - chances are dynamite
You will make it out alive and I'm confident you'll do it right
'Cause I'm improving my life, renewing my mind
This all started with Roman 10:9
Doing what's right, doin' quite fine...
This all started with Romans 10:9

I'll be all right - I'll be just fine - you're runnin' out of time
I can't go wrong livin' this way - I'll be alrightRomans 10:9
That if you confess with your mouth,
"Jesus is Lord," and believe in your heart
that God raised him from the dead,
you will be saved.
