

# Just Two of Us

**Ryo Kawasaki**

I see the crystal rain drops fall and the beauty of it all when the sun comes shining through  
to make those rainbows in my mind when i think of you sometimes and i want to spend some time with you  
just the two of us we can make it if we try just the two of us just the two of us building castles in the sky just the  
two of us you and I  
we look for love no time for tears wasted water's all that is and it don't make eno flowers grow good things  
come to those who wait not to those who wait to late we got to go for all we know just the two of us we can  
make it if we try just the two of us just the two of us building castles in the sky just the two of us you and I  
i hear the crystal raindrops fall on the window down the hall and it becomes the morning dew darling when the  
morning comes and i see the morning sun i want to be the one there with you just the two of us we can make it  
we try just the two of us just the two of us building castles way on high just the two of us you and i  
just the two of us lets get together, baby just the two of us
