My Lucky Day

Lene Marlin

Tell me what you saw that was so bad
Tell me all the reasons
Why you made me so sad
I wish that I was like you,
And I'm sorry that I'm not
At least I still have hope,
I guess that's all I've gotI know you must be happy
Thrilled that I'm not there
Yet I know that I will make it,
Make it good for me out here
And soon I will be smiling,
Everything will be okay
I'll not worry anymore,
that will be my lucky dayI wish that you'd seen something
Special 'bout me too
That you would think of something else,
Not just the way I look to you
I don't see what you see,
How different can I be
And why does it really matter,
I'm just being meI know you must be happy
Thrilled that I'm not there
Yet I know that I will make it,
Make it good for me out here
And soon I will be smiling,
Everything will be okay
I'll not worry anymore,
that will be my lucky day
