Wading In The Velvet Sea

[Phish](#)

I've been wading in the velvet sea
I've been wading in the velvet sea
I've been wading in the
I've been wading in the
I've been wading in the velvet sea
I've been wading in the velvet sea
I've been wading in the velvet sea
I've been wading in the
I've been wading in the
I've been wading in the velvet sea
I've been wading in the velvet sea
I've been wading in the velvet sea
I've been wading in the
I've been wading in the
I've been wading in the velvet sea
I've been wading in the velvet sea
I've been wading in the velvet sea
I've been wading in the
I've been wading in the
I took a moment from my day
And wrapped it up in things you say
And mailed it off to your address
You'll get it pretty soon unless

The packaging begins to break
And all the points I tried to make
Tossed the thoughts into a bin
Time leaks out, my life leaks in
You won't find moments in a box
And someone else will set your clocks
I took a moment from my day
And wrapped it up in things you say
And mailed it off to you
You won't find moments in a box
And someone else will set your clocks
I took a moment from my day
I've been wading in the velvet sea
I've been wading in the velvet sea
I've been wading in the velvet sea

I've been wading in the
I've been wading in the
I've been wading in the velvet sea
I've been wading in the velvet sea
I've been wading in the velvet sea
...
