Wannabe

Zeromancer

Wannabe, yeah you
You're just a wannabe, yeah
Do you want to be like me?Dum dum, dummy dum, dum dum
Dum dum, dummy dum, dum dum
Dum dum, dummy dum, dum dum
Dum dum, dummy dum, dum dumFeels like a hole inside
Can't breathe, my lungs have dried
My heart's a bomb, ready to go offA wannabe, that's you
A fucking wannabe, yeah
Why do you want to be like me?You hate yourself but rate yourself
As a number one, you hate yourself
But rate yourself as a number oneFeels like a hole inside
Can't breathe, my lungs have dried
My heart's a bomb, ready to explodeBrings out the prick in me
Don't think it's purity, I stick in you
Try to tell yourself, it ain't trueDum dum, dummy dum, dum dum
Dum dum, dummy dum, dum dum
Dum dum, dummy dum, dum dum
(You hate yourself but rate yourself)
Dum dum, dummy dum, dum dumDum dum, dummy dum, dum dum
(You hate yourself but rate yourself)
Dum dum, dummy dum, dum dum
