Jealousy

Lou Doillon

Jealousy the way you treat me,
You never seem to leave,
You're always there to tease meJealousy, the way you beat me,
Even when he's gone,
I'm never quite aloneJealousy one day you'll finish me,
Like maggots do flesh,
But at least they come with rest.It's never "I",
It's always "we",
Side to side,
We keep each other company,
You're always there,
My faithful devoteeJealousy, the way you shake me,
You make me dream it all,
And then you watch me fall,Jealousy, It's only you I see
Written on the walls,
Happening behind doorsJealousy, the way you beat me,
Even when he's gone,
I'm never quite aloneIt's never "I",
It's always "we",
Side to side,
We keep each other company,
You're always there,
My faithful devoteeIt's never "I",
It's always "we",
Side to side,
We keep each other company,
It's always you,
My faithful devotee
