

The Bandit

Starlight Mints

You take one step out a big black Cadillac
A bowler hat and a pinstripe pair of slacks
 He's got a cane but he's got no limp
He does it for the image, oh it's for the image
 Knife is what they call him back home
 He's got a reputation, what he condones
A practice common men consider quite unethical
But I see it as questionable, I see a similarity, oh
 She came running down old stairs, no sounds
 Just breathing and heirloom dependency
 She said, "Where have you gone?
 I've grown from you, shone from you"
Stockpiled the thoughts and the memories and what it means to me
 You've been talking that all night
 Everybody sing along and scream out
 La, da, da, tonight he'll be found out
La, da, da, tonight we'll shine a light and find your motivation
 And everyone of your friends who's involved
If you knew word of this you're guilty by association
Ironic thing is that you can't do much unless you know law, love
 And it's crazy to believe in this
 Darling, I hate to apologize
 You know it's how we do it Midwest style
 10 steps and stay awake, 5 steps, so far away
The sound and the silence, a music box and melodies
 So calm the west side down
 Calm the ocean and the underground
 I'm a jack inside a box and know you've got me
You wound me up and let me out and then you shot me down
 To the leg or to the face, you know it doesn't matter
 Tonight we'll be found out
Tonight they'll shine a light and find our motivation
 And every one of our friends who's involved
