

# Everybody

Richard Ashcroft

Cool morning, I was looking out it was a cold day  
Songbird was drinking from a table  
But songbird, you just flew away Everybody's gotta feel the weight of death sometime  
And find out, what it's like to be left behind  
Sometimes, you don't get a chance to ask where or why So, let it break the magic beauty of your fragile mind  
And let it break the magic beauty of your fragile mind It's not a sign of weakness  
When you're searching for the places  
Where the memories flow There may come a time when you rearrange  
And may leave those memories  
You've gotta let them go Everybody's gotta feel the weight of death sometime  
And find out what it's like to be left behind  
Sometimes, you don't get a chance to ask where or why Let it break the magic beauty of your fragile mind  
Let it break the magic beauty of your fragile mind  
Let it break the magic beauty of your fragile mind  
Let it break the magic beauty of your fragile mind Everybody's gotta feel the weight of death sometime  
And find out what it's like to be left behind  
Sometimes you don't get a chance to ask where or why Let it break the magic beauty of your fragile mind  
Let it break the magic beauty of your fragile mind  
Let it break the magic beauty of your fragile mind  
Let it break the magic beauty of your fragile mind Stay strong, move on  
Keep on  
Stay strong, move on  
Keep on  
[Incomprehensible]
